# SACRIFICIAL GIVING

## **Sacrificial Giving *IS SPIRIT INSPIRED***

As you approach your commitment to God through this capital campaign, begin with prayer. Thank God for all of the blessings in your life and then ask God for guidance and discernment as to how to steward those blessings.

## **Sacrificial Giving *IS SACRIFICIAL***

Your commitment to the capital campaign is a gift over and above your annual giving to your church. It may require changing how you spend your money, postponing purchases or doing without something. Each of us has different means, and our gifts will not be equal, but our sacrifice will.

## **Sacrificial Giving *IS PLANNED***

A commitment decision requires careful thought and time. It requires that you make plans, set goals and evaluate how your sacrifice reorients your desire and serves as a means to glorify God.

## **Sacrificial Giving *IS AN ACT OF THANKSGIVING AND WORSHIP***

Your financial commitment is a way to say "thanks be to God." We acknowledge that everything we have is a blessing from God, and we joyfully return a portion to God.
